REQUEST FOR QUOTATION (RFQ) (Supply, Delivery, and Configuration of Enterprise Firewall Solution)

Mwietheri Sacco Society Ltd invites qualified vendors to submit formal quotations for the **supply, delivery, and setup of an enterprise-grade firewall**. The proposed solution must meet the following technical and functional requirements to support a secure, scalable, and high-performance network environment.

Network Environment Requirements

- Support for 50 to 100 internal users (staff and third-party access)
- Handle up to 20,000 peak concurrent users
- Support a minimum of 30 workstations/laptops
- Manage up to 20,000 mobile devices (BYOD and corporate)
- Support for at least 3 physical servers and 3 virtual servers
- Seamless integration with cloud services
- Handle internet bandwidth exceeding 20 Mbps
- Compatible with LTE, Fiber, and Dish Internet Service Providers
- Support for static public IP address
- Enable DMZ (Demilitarized Zone) setup

Security Requirements

- Intrusion Prevention System (IPS)
- Deep Packet Inspection (DPI)
- SSL inspection support
- Application control features (e.g., blocking access to YouTube, Facebook)
- VPN support for over 20,000 concurrent users
- Remote branch connectivity via secure VPN
- Built-in antivirus and antimalware protection
- Web content filtering capabilities
- Data Loss Prevention (DLP) features
- Email security including anti-spam and malware filtering

Budget, Licensing & Support Requirements

- High Availability (HA) / Failover capabilities
- Training for internal IT staff on configuration and usage
- Full setup and configuration services by vendor

Future Growth & Compliance

- Must comply with **SASRA** (Sacco Societies Regulatory Authority) ICT guidelines and standards

Quotation Submission Instructions

Interested vendors are requested to provide:

- A detailed quotation, inclusive of all taxes, delivery, and setup charges
- A comprehensive technical datasheet or brochure for the proposed firewall model
- Warranty terms and support service details
- Timeline for delivery and setup
- Licensing structure (initial and ongoing)
- Any additional value-added services

Submission Deadline: Monday, 19th May 2025

Submission Email Address: mwietherisacco@yahoo.com

Contact for Inquiries: +254 724 794516

We appreciate your prompt response and look forward to your quotation.
