REQUEST FOR QUOTATION (RFQ)

SUPPLY AND INSTALLATION OF SERVER ROOM COOLING SYSTEM

Mwietheri Sacco Society Ltd. invites qualified and competent suppliers to submit quotations for the supply, installation, testing, and commissioning of an enterprise cooling system for our server room.

The cooling system should guarantee continuous operation and capable of maintaining optimal temperature and environmental conditions for critical IT infrastructure and servers.

Scope of Supply and Installation

The quotation should include:

1. Supply and installation of an enterprise server room air-conditioning/cooling system.
2. 24/7 continuous operation capability.
3. Automatic temperature control and digital temperature display.
4. Energy-efficient operation suitable for continuous use.
5. Appropriate air circulation and humidity control.
6. Wall/ceiling mounting and all necessary installation accessories.
7. Testing, commissioning, and verification of the system.
8. User training and basic operational guidance.
9. Warranty and after-sales technical support.

Submit your quotation to Mwietheri Sacco Society Ltd On or before 18th August 2026.

Kindly address your quotation to the Chairman, Mwietheri Sacco Society Ltd, via the official email mwietherisacco@yahoo.com.

Regards,
Mwietheri Sacco Society Ltd.
